

The RACMA/HKCCM international conference on
**Healthcare Reforms in
Comparative Health Systems**

4 – 6 September 2010, Hong Kong

Deadline for Abstract
Submission:

15 June 2010

Call for Abstracts

The HKCCM international conference "Healthcare Reforms in Comparative Health Systems" will be held from 4th - 6th September 2010 in Hong Kong. This conference is jointly organized by the Royal Australasian College of Medical Administrators and the Hong Kong College of Community Medicine.

This joint event brings together policy makers and international health services leaders. It will be an excellent opportunity for networking that enables healthcare executives and relevant stakeholders to share their knowledge and experience with their peers in the region, and to make contacts for future collaborations.

Topics will focus on:

- Healthcare Reform
- Healthcare System Performance
- Healthcare Professional Performance
- The Role of Medical Managers in Healthcare Reform
- Communicable and Non-communicable Diseases
- e-Health

For further information regarding the conference event program download the Announcement Book [here](#), or visit the conference website at www.medcom.com.hk/racma-hkccm.

To Submit an Abstract

Participants are now being invited to submit abstracts for poster / oral presentations. All abstracts must be received by **15 June 2010** in order to be eligible.

To view the abstract submission guidelines, download an abstract submission form, or complete the online abstract submission form, [click here](#).

Conference Registration

Registration is now open. Early bird rates apply to all registrations received before 15 July 2010.
