 - 4.4 Scientific meetings
 - 4.5 Publications
- 5. Check-list of Core Competencies**
- 6. Trainer's Assessment**

1. General Instructions to Trainees

1. The trainee should register with the Hong Kong College of Community Medicine as a Higher Specialist Trainee.
2. The trainee should read carefully the “Regulations and Requirements for Fellowship Examination and Postgraduate Training in Community Medicine” and these general instructions.
3. This Log Book is designed to help the trainee record his/her training during the Higher Specialist Training period for progress monitoring & subsequent assessment by College examiners.
4. The trainee should provide sufficient proof to the trainer to certify the information recorded in this Log Book.
5. The trainee should discuss the progress of training as recorded in the Log Book with his/her trainer at least every 6 months.
6. The trainer should assess the overall training and identify and suggest remedies for any deficiency on the part of the trainee and of the training programme.
