

Default of Payment of Training Fee

According to Clause 12(d) of Articles of Association of the College, the College may terminate the membership of a member who has been in default of the subscription or other monies owed to the College for more than 6 months.

At the Council meeting on 25 October 2004, it was decided that if the annual training fee is overdue for 2 months, the Censor of the respective Subspecialty will issue a warning letter which will serve as a Final Notice for payment of the annual training fee together with 5% surcharge.

If the training fee and the surcharge are not settled by the trainee within 1 month from the date of the Final Notice, suspension/termination of his/ her traineeship will be recommended.
