Paper IB

Candidates must answer all four questions

*This paper is intended to test knowledge across the broad range of the discipline. Candidates will be much disadvantaged if they fail to attempt any of the four questions or give grossly inadequate answers to **any** of them. It is, therefore, essential that candidates ALLOW SUFFICIENT TIME FOR EVERY QUESTION. Weighting of marks for each part of the question is shown in parenthesis. Please note that marks may be deducted for poor legibility.*
