## ADMINISTRATIVE MEDICINE

### Part I Examination

Monday 9 January 2006  
17:30 – 19:00 (1½ hours)

### Paper IB

---

**Candidates must answer all four questions**

---

*This paper is intended to test knowledge across the broad range of the discipline. Candidates will be much disadvantaged if they fail to attempt any of the four questions or given grossly inadequate answers to any of them. It is, therefore, essential that candidates ALLOW SUFFICIENT TIME FOR EVERY QUESTION. Weighting of marks for each part of the question is shown in parenthesis. Please note that marks may be deducted for poor legibility.*

**DO NOT OPEN PAPER UNTIL THE INVIGILATOR  
INSTRUCTS YOU TO BEGIN**

7. Write short notes on the following:
- (a) Health insurance (5 marks)
  - (b) Managed care (5 marks)
8. (a) Explain the difference between needs and demand in health care (4 marks)
- (b) Write short notes on how needs and demand would affect the planning of health care. Illustrate your points with examples as necessary. (6 marks)
9. Using organization theories, illustrate how you would rationalize the service in a public hospital. (10 marks)
10. What do you understand by Quality Improvement in health care? Illustrate by giving examples in your work place. (10 marks)

**END OF PAPER**
