Tea gathering hosted by Dr Kathleen So

Dr Kathleen So's Prize for Outstanding Candidates was set up since 2006 in our college to recognise our trainees' outstanding performance in Part II examinations. There have been 22 successful candidates from all our three subspecialties who received the award.

On 20 January 2024, a tea gathering hosted by Dr So was held in the VIP lounge of Hong Kong Academy of Medicine. Prize awardees happily gathered and connected. Dr So joyfully shared her insights and devotions to Community Medicine fellows. Our President, Dr Stephen Pang, Past President, Dr Libby Lee, and Director of Health, Dr Ronald Lam gave their votes of thanks and appreciation to Dr So. As a token of ongoing support, Dr So presented a cheque from an anonymous donor to our college. This special event is heartening.
