Note:

1. Annual subscription for each member is due on 1st October in each calendar year and will cover a period of 12 months ending on 30 September of the ensuing year. Members who are admitted between 1st October and 31st March of the subscription year shall pay the full amount of the subscription, and those who are admitted between 1st April and 30th September of the subscription year shall pay half of that amount.

2. Annual subscription for Retired members is at 25% of the annual subscription for the respective local membership category.

To avail of this special rate, retired members are required to submit a formal letter confirming their retirement from all remunerative practice/job/business. The letter should be sent to the College Secretariat no later than 30th September. Upon receipt and processing of the application, retired members will be eligible for the reduced rate for the upcoming subscription year. Members concerned must inform the College Secretariat immediately should there be any change of their retirement status and the reduced rate will cease to apply thereafter.

3. Members residing overseas:

Annual Subscription for members residing overseas is at 50% of the annual subscription for the respective local membership category.

Annual Subscription for retired members residing overseas is at 12.5% of the annual subscription for the respective local membership category.

4. Annual subscription for fellows (local or overseas) aged over 65 is at 25% of the annual subscription for the Fellow.

Applications in writing are required. Applications should be sent to the College Secretariat providing an age verification document for record purpose.

The Fellow will be required to continue paying the full rate if he/she does not apply for the reduced rate.
