WFMM International Medical Leaders Forum 2013

Medical Leadership and Engagement

2 June 2013, Hyatt Regency Hotel Vancouver, British Columbia

Post meeting field trips 3-4 June 2013, program available at www.wfmm.org.

Immediately following the Canadian Conference on Physician Leadership, May 31-June 1, 2013

The WFMM International Medical Leaders Forum is fast approaching. Register to attend the WFMM Forum and post forum tours at www.wfmm.org. The Forum will focus on the theme of Medical Leadership and Engagement. With a quality program and a great mix of international speakers this year's Forum is one not to miss!

Two optional tours will follow the Forum. Visit the Surrey Memorial Hospital in Vancouver or choose Three Education Tours in Seattle, USA. Details of the Forum program, post Forum tours, speaker profiles and registration fees can be found online by visiting the WFMM web page at www.wfmm.org.

Post Forum Optional Tours

Option 1: Surrey Memorial Hospital, Vancouver - Half Day Program, 3 June 2013

Location	Vancouver, BC, Canada. This educational tour will include transport to Surrey Memorial Hospital in Vancouver for a visit commencing 11 am and finishing around 2:00 pm. Participants will meet at the Hyatt Regency and travel together to the venue.
Objectives	A Case Study visit to Surrey Memorial Hospital to explore first hand the role of leadership in transforming a community hospital to one with a significant academic campus. Learn about the Canadian healthcare system at the same time.

Option 2: Seattle, USA and Three Education Tours - Two Day Program, 3-4 June 2013

Location	This educational tour will include bus transfer from Vancouver, BC to Seattle, Washington, USA departing early Monday morning with an optional bus transfer return to Vancouver Tuesday evening with accommodation and meals in Seattle Monday night. Delegates can either return to Vancouver or stay in Seattle if they choose. For the latter, no return transfer will be arranged. The distance by road is 226km with approximate travel time of 3hrs including possible border crossing delays.
Objectives	Study examples of large-scale organisations operating within regulatory environments that can be compared to, and applied in, the delegates own work environment. Learn about efficient process design and innovative cultures in non-healthcare industries.
Educational tours	1. VIP Tour of Boeing Facility, Everett Field, and 2. Amgen Biotechnology Manufacturing Facility, and 3. VIP tour of Microsoft Headquarters
Delegates will require an ESTA Visa for entry into the USA. The cut-off date for registration for the Seattle visit will be Sunday 5th May 2013. The tour will not proceed if the minimum number of participants is not achieved and tour fees will be refunded in full.
